At the time of surgery, the veterinarian will collect \$20 surgery fee per cat.

Please note that this program is solely for cats that live in feral colonies. A feral cat is not socialized to humans and cannot be handled. A feral cat must be humanely trapped and arrive in a trap for surgery. Only one cat per trap. All cats altered through this program will be **ear tipped**, **NO EXCEPTIONS.**

You will be issued a voucher with a 45 day window in which to complete the trapping. Please have a plan in place before you submit your application. If your voucher expires before all the cats are altered, mail back the original voucher with a \$10 application fee and a plan for the remaining unaltered cats.
