

Cat Welfare Association's Low Cost Altering Program

Thank you for your interest in Cat Welfare's low cost spay/neuter program. This program assists cat owners in low income households who cannot otherwise afford the cost of these surgeries. Donations to our shelter fund this program – one of Cat Welfare Association's community outreach efforts to help address the cat over population crisis.

Please return this completed form along with a check or money order payable to **Cat Welfare Altering Fund** for the amount of the co-pay required to pay for the requested surgeries. Upon receiving your co-pay, CWA will send you a voucher with the name of the veterinarian practice authorized to provide the surgery. Prices include FVRCR (distemper) and rabies vaccinations. Receipt of this form, along with your payment, acknowledges that you have agreed to have your cat vaccinated for feline distemper and rabies (unless you show proof of current vaccinations).
